EXAMINING BOARD OF PROFESSIONAL GEOLOGISTS, HYDROLOGISTS AND SOIL SCIENTISTS

PROFESSIONAL SOIL SCIENTISTS SECTION

SUPPLEMENTAL FORM

Applicant's Name	Date
-------------------------	-------------

All applicants applying for registration as a professional soil scientist must complete this form. Failure to provide the requested information may result in denial of licensure.

Sec. 470.04(4)(b), Stats. requires that the applicant has a bachelor's degree and at least 30 semester hours or 45 quarter hours of course credits in soil science of a variety and nature sufficient to constitute a soil science major from a college or university approved by the board.

RECORD OF SOIL SCIENCE COURSES COMPLETED

1. Please list the courses which you have completed in order to be considered a major in soil science. You must have completed at least 15 semester hours or 23 quarter hours of course credits in soil science in at least three areas listed on the reverse side of this form. If additional space is needed, attach separate sheet.

<u>Name of Course</u>	<u>Course #</u>	<u># Semester Hrs.</u>	<u>College Attended</u>

2. In addition to the coursework listed above, please list other soil science related coursework used to satisfy the 30 semester hour or 45 quarter hour requirement which may include but not be limited to courses listed on the reverse side of this form. If additional space is needed, attach separate sheet.

<u>Name of Course</u>	<u>Course #</u>	<u># Semester Hrs.</u>	<u>College Attended</u>

Wisconsin Department of Regulation & Licensing

1. Section GHSS 4.04(3), Wisconsin Administrative Code, requires completion of at least 15 semester hours or 23 quarter hours of course credits in soil science in at least three of the following areas:

Soil Biology.
Soil Chemistry.
Soil Classification, Morphology and Mapping.
Soil Conservation and Management.
Soil Fertility.
Soil Physics.

2. Section GHSS 4.04(4), Wisconsin Administrative Code, requires in addition to the coursework required above, other soil science related coursework that may be used to satisfy the 30 semester hour or 45 quarter hour requirement include, but are not limited to courses in the following areas:

Agronomy.
Bacteriology.
Botany.
Engineering.
Forestry.
Geography.
Geology.
Horticulture.
Hydrology.
Meteorology.
Plant Pathology.

3. Give title and publisher of significant scientific articles or books you have authored or co-authored (list co-authors). Works in process of publication (manuscript accepted) should be listed as such. A complete list of publications is not required. Please list or attach separate sheet.
